

United States Middle District of North Carolina

Michael Gray Swain  
Petitioner  
vs.  
The United States  
Probation Of The  
Middle District Of  
North Carolina

Motion For Revocation  
Hearing I An Expedited  
Manner  
Fed.R.Crim. P48. Fed.R  
Crim. P 321  
(A)r2.8, 32.1 (6)(2).

Now comes the Petitioner before the court to respectfully request that The Honorable Chief Judge or Magistrate Judge of the U.S. District Court of the Middle District Of North Carolina to proceed with the course of action(s) in an expedited and reasonable time frame in full accordance with the Federal Rules Of Criminal Procedure(s) 32.1(A) r2.32.1 (6)(2) 48

#### Statement Of Fact Of The Case

The Petitioner was released by the U.S. Bureau Of Prisons in September 26, 2017 and placed on probation for a term of (3) years.

## Argument

Fact: The U.S. Probation of the Middle District of North Carolina assigned U.S. Probation Officer Matthew Ross to Petitioner, whom possessed original jurisdiction over Petitioner, thus the said probation violation should have been addressed and taken care of first before the Petitioner was placed in state prison.

Fact: Due to a detainer being placed upon the Petitioner, it is a direct hindrance to the rehabilitation of the Petitioner, due to the denial of custody promotion to minimum custody and work release, home leaves, community leaves, and study release etc., as well as other outside activities that promote positive rehabilitation.

## Conclusion

Wherefore, the Petitioner respectfully requests that the violation be addressed within a reasonable time frame, and that the detainer be removed so that the Petitioner may advance to minimum custody. Also that the court credit any and all time of confinement towards the Petitioner's probation violation and or run the violation concurrent with the state sentence the Petitioner

is currently serving.
